CAB'S INTERVENTION DESIGN TASKFORCE

TODAY'S AGENDA

- 1 Introduction to the Taskforce
- 2 Diversity Considerations
- 3 Dynamic of our Workflow
- 4 Overview of Intervention
- 5 Discussion/Conclusion

INTRODUCTION TO TASKFORCE

"...it is critical that CBPR efforts strive to understand the historical and contemporary social, economic, and environmental contexts that have a significant impact on the communities involved, and work to improve the conditions that foster these health inequities. In addition, as elaborated here, it is essential that the cultural context of communities be understood and respected, explicitly informing partnership approaches to research."

— *Barbara A. Israel, Methods for Community-Based Participatory Research for Health*

INTRODUCTIONS

1

Who are you? Name/Job title?
Professional background...etc.

2

What county do you work in or with?

3
